January 2020

I am writing to express our appreciation for the wonderful contribution the students of St. Patricks Primary school made to the St. Vincent de Paul Christmas appeal.

I would like them to know that their donations were put to good use in making up the Christmas hampers which were distributed to more than 80 less fortunate families in our local region.

Thank you to the students, parents and teachers for their efforts which were amazing.

Thank you once again and we look forward to continuing our relationship for many years to come

Yours Faithfully
