

WELCOME BACK!!!

COMING IN 2022...

Our school is getting a facelift and so is the uniform! From Term 1 2022, it is expected that all students will wear the updated school shirt, complete with an embroidered school emblem. The transition period will begin next term, with the embroidered shirts for boys (summer & winter) and girls (winter only) available from Ken Lane Menswear in Maitland. It is recognised that it may be some time before new shirts are required, and the transition period reflects this.

There will be slight increase to the price of these shirts and these prices will be provided once all details are finalised.

If you have any concerns or questions, please don't hesitate to contact the school.

Uniforms

The uniform shop is currently closed. If you require a certain garment, please send us an email and we can coordinate with the school directly. We will advise once this reopens.
