

## 1.1. SECOND PARENT ADVICE

A short while ago, we sent advice about changes to our Student Information and Finance Systems. I am pleased to advise that we are now ready to go live with the new solution!

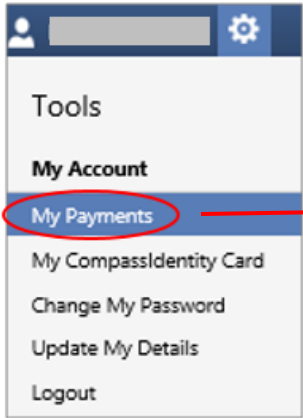

### What's changing?

- ✓ New online Parent Action Centre via the Parent Portal
- ✓ Online consents and payments for events – new CompassPay solution

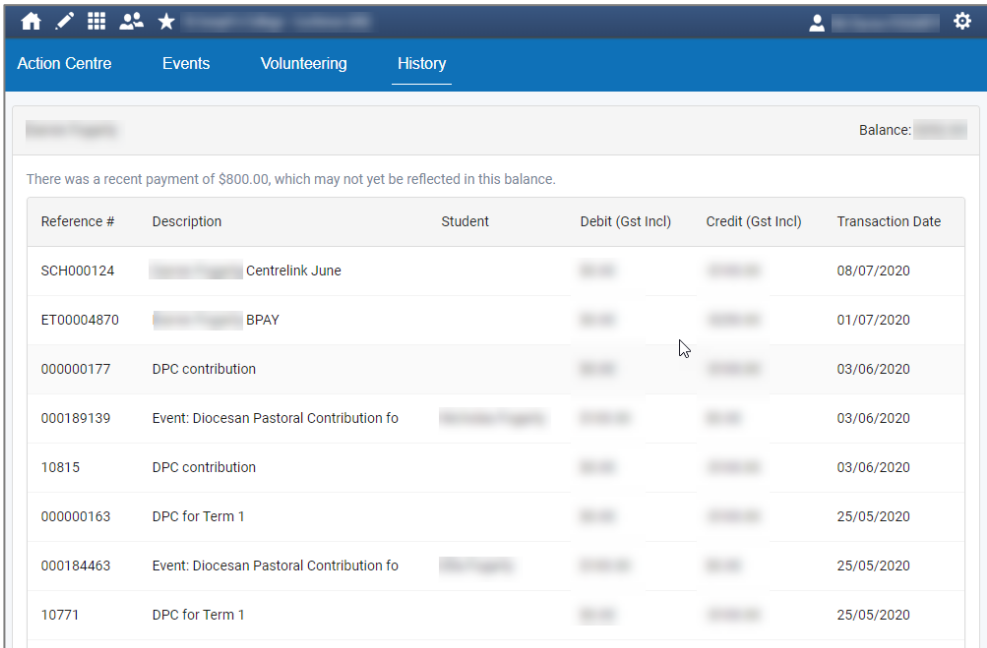

### What will this look like?

The screenshot shows the Parent Portal interface. The top navigation bar includes icons for home, edit, grid, people, star, and a search bar. The main header displays 'Parent: [redacted]' and an 'Active' status. Below the header, there are tabs for 'Dashboard', 'Conference', 'Billing', and 'Communications'. The 'Billing' tab is selected and highlighted with a red circle. Under the 'Billing' tab, there is a section for 'Account Name: [redacted]' and a 'Balance: \$ [redacted]'. A 'Make a Payment' button, marked with a green dollar sign icon, is circled in red. Below this, there is a table with columns: Reference #, Description, Student, Amount (GST Inclusive) (subdivided into Debit and Credit), and Transaction Date.

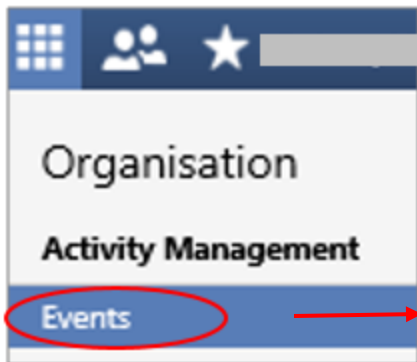

The screenshot shows the 'Tools' menu on the left side of the Parent Portal. The menu items are: 'Tools', 'My Account', 'My Payments' (circled in red with a red arrow pointing to the right), 'My CompassIdentity Card', 'Change My Password', 'Update My Details', and 'Logout'.

The screenshot shows the 'Action Centre' interface. The top navigation bar includes icons for home, edit, grid, people, star, and a search bar. The main header displays 'Action Centre' and tabs for 'Events', 'Volunteering', and 'History'. The 'History' tab is selected and highlighted. Below the header, there is a section for 'Balance: [redacted]'. A message states: 'There was a recent payment of \$800.00, which may not yet be reflected in this balance.' Below this, there is a table with columns: Reference #, Description, Student, Debit (Gst Incl), Credit (Gst Incl), and Transaction Date. The table contains several rows of transaction data.

## How will this impact me?

In addition to the enhanced functionality in your portal, the school's finance and administration system will be offline during cut-over. Please be patient with us and avoid making payments over the counter at the school during this period.

## Important Points

- The school Finance system will be offline between 17/08 and 21/08/2020
- Transactions will be available in your Parent Portal
- Event consent can now be registered online once payment is received in full
- Events and fees can be paid online via your Compass Parent Portal
