Dear Mrs Wilkinson,

My wife Lesley and I are grandparents to Isla Smith in year 4 and Mia Smith in year 1. Every year we visit the school during book week/grandparents day and we have always enjoyed seeing the kids in their school environment.

It is unfortunate that we are unable to visit this year due to covid restrictions but hopefully next year all will be well.

We like to donate books to the library when we visit the school and we have enclosed a selection of books that we hope some children might enjoy.

Sincerely

Wayne and Lesley Holmes
